Career Objective

I'm an aspiring Full-Stack Developer with hands-on experience in building web applications using technologies such as HTML, CSS, JavaScript, React, Node.js, and MySQL. I enjoy solving real-world problems through code and love learning new tools that help me grow. I'm looking for an opportunity where I can contribute to meaningful projects, work with a supportive team, and continue developing my skills as a full-stack developer.

Education

Bhoj Reddy Engineering College for Women (BRECW)

Hyderabad, Telangana

B.Tech Computer Science and Engineering CGPA: 8.65 (Until 3-1)

 - Adaptability
-

Projects

- **Eco-Friendly E-Commerce Website – SustainaScan** (Mar – Jun 2025)
Developing a sustainable shopping platform using HTML, CSS, JavaScript, React, Python, and MySQL. Enables product image scanning, ECOSCORE analysis, and alternative product suggestions.
- **Event Countdown and Management System – Checkify** (Mar 2025)
Web-based event countdown and management system with real-time timers, user authentication, and event scheduling. Built using HTML, CSS, JavaScript, PHP, and MySQL for efficient event tracking.
- **Online Doctor Appointment Booking System – MediQwik** (Apr – Jun 2024)
Built a full-stack web app using HTML, CSS, JavaScript, PHP & MySQL for scheduling and managing doctor appointments with secure data handling.
- **Landing Page – Eco-Friendly Solutions** (Mar 2024)
Developed a responsive landing page with sections for products, benefits, testimonials & contact info using HTML & CSS.
- **Calculator** (Feb 2024)
Created a responsive calculator using HTML, CSS & JavaScript with interactive arithmetic functions.

Achievements

- **First Prize in DevSprint Event**
Won first place in the DevSprint event for building a creative UI and adding functionality under time constraints. It was a great opportunity to collaborate, think on my feet, and apply my full-stack skills in a fast-paced environment.
 - **Merit Awards for Academic Excellence**
Received multiple merit awards in college for consistently strong academic performance, reflecting dedication, hard work, and a commitment to learning.
 - **Full Stack Development Certification from EduVetha**
Successfully completed a full-stack development course covering front-end and back-end technologies, strengthening practical skills through hands-on projects.
-
